

Law Urged to Compel Sex Offenders' Roster

Los Angeles Times
1947 01 21, pg 2

Enactment of a county ordinance or a State-wide law requiring registration of certain types of sex offenders was recommended to the Board of Supervisors yesterday by Dist. Atty. Simpson. Commenting on the increasing number of cases involving crimes of violence and murder which he said undoubtedly arise because of the activities of morally unsound persons, Simpson said law enforcement officers have been handicapped through the lack of a central identification bureau.
